

NATURAL STONE JEWELRY CUSTOM ORDER

Pick a design you like from the web site (www.Natural-Stone-Jewelry.com), then indicate what stone you wish to substitute for which bead. Starting from the toggle, the first bead of the pattern is the number 1 bead. The second bead in the pattern is number 2, and so forth until the pattern repeats itself. Starting from the toggle, the first metal bead is spacer number 1, the second metal bead is spacer 2, and so forth until the pattern repeats itself. In the substitute box indicate the type of spacer you want, i.e. round tiny (1-3mm), round small (4-6mm), round medium (8-10mm), round large (12-14mm), cone, square, flat, oval, etc and size. If you want to keep the same bead or spacer in the original design, just write "same" in the substitute box.
